About the Catholic Diocese of Toowoomba

The Catholic Diocese of Toowoomba covers the geographic areas of the Darling Downs, the Granite Belt, Maranoa, Warrego and Gregory South Districts of Queensland.

The Diocese provides a wide range of services to these communities including:

- Schools (education)
- Social welfare
- Aged care

Provision of these services makes a significant contribution to strengthening and supporting the social and economic fabric of these local communities and supporting the Government's policies.

About Catholic Schools

The largest of the services provided by the Diocese is education. Since 1973 Catholic Schools (formerly Catholic Education) has worked collaboratively with support from the Federal and State governments and other non-state school sectors to provide a quality education to students across the Diocese.

Close to 10,000 students from more than 6,070 families are receiving a Catholic education in 31 schools across the Diocese.

Catholic schools are supported by a administrative office that employs more than 1,300 staff to provide quality teaching and support services to students and their families.

The support provided to schools is through the services of education, policy, governance, accountability, resourcing and school improvement. The administrative office employs over 80 staff whose functions are to:

- Provide curriculum implementation, teacher development and support, inclusive education and indigenous education support which aligns with the objectives set by the Federal and State governments
- Provide advocacy support and representation, development and implementation of policies which respond to the objectives set by the Church, Federal and State governments
- Ensure compliance of regulations, procedures and guidelines set by the Church, Federal and State governments
- Provide accountability in the implementation and support of frameworks which monitor, report and provide feedback on outcomes on objectives set by the Church, Federal and State governments such as curriculum, learning, teaching and assessment, student protection, work health and safety etc
- Provide corporate services such as HR, finance, capital development, administration, ICT demonstrating effective stewardship
- Implement and support schools improvement frameworks in line with objectives set by the Federal and State governments

School funding

Catholic schools receive about 81% of the total average government annual funding per student received by government schools (\$9,238 / student in a Catholic school vs \$11,440 / student for a government school).

Children educated in Catholic schools deliver significant savings to the Queensland government and taxpayers.

Funding for Catholic schools equates to:

- 59% provided by the Australian government
- 20% by the Queensland government
- 21% is provided by parent and community contributions.
